Dear Dick:

I really hate to bother you again, but I am very concerned since we have not heard from you for a year. I have written to you on several occasions and no more material has been forthcoming.

You indicate Mr. Bradley has been charged with child molestation. I would hope this case has been completed in the last year, so we can have the final outcome for our files. We must know whether he has been acquitted or convicted. If there was a conviction, we must have the sentencing which took place.

Please give us some material which will substantiate our refusal of registration in the future.

Sincerely,

Paul Ernst, Director

Dear Dick:

We appreciated the record sheet which you sent us in March of 1989, concerning the above named individual. This was most helpful to us in starting a file. We hope you will give us enough information, so we can make certain Mr. Bradley cannot register anywhere in the country.

You indicated he had been charged with child molestation. We really must have newspaper clippings, court records, or other statements which would substantiate these charges. This is most important, if we are to have a file strong enough to refuse registration anywhere in the country.

Thanks for your help in completing this file.

Sincerely,

Dear Dick:

I hate to bother you again, but in March you sent us a Confidential Record Sheet indicating that the above named individual had been charged with child molestation.

We never like to let these things lie, until we have a complete file and would ask that you send us newspaper clippings, court records, or some material that would substantiate these charges. If the legal action has taken place, we would like the outcome and any sentencing which may have been imposed.

Thanks for your help in completing this file, so that we can protect the youth of America.

Dear Dick:

In March you sent us a Confidential Record Sheet concerning the above named individual. At that time, you indicated that he had been charged with child molestation.

We have written to you a couple of times since that date, but have had no further information. We really would like to know the outcome of any legal action which has taken place, as this is most important for our file.

Please help us to complete this file, so that we can protect the youth of America.

Dear Dick:

We appreciate the Confidential Record Sheet which you sent in March. This helped us to identify Mr. Bradley and refuse registration should it come to us in the future.

We would like more documentation concerning the charges of child molestation. If this has now been completed by the legal system, we would like to have the outcome and any sentencing which may have been imposed.

We really need this material in order to close our file and have adequate documentation for the future when neither you or I might be on our present job.

Thanks for your help in completing this matter.
